ADVENT BY CANDLELIGHT

December 04,2014

LWML members and guests, approximately 155, began gathering in the Narthex of the Church at 6:00 pm. and were treated to a glass of punch. All in attendance were given a sheet of paper and told to find out from the other guests their names and where they were born. Many had their sheets nearly filled. A fun way to get to meet other guests. Prizes were awarded during the program. Everyone was given time to view the beautiful tables decorated by nineteen (19) hostesses.

The welcome was given by Co-chair Clarice Gnuse and the opening prayer led by Pastor Hass. As we enjoyed our delicious desserts, ten (10) angels (men of the congregation) made sure that our coffee cups and water glasses were full. Everyone received a copy of the cookbook containing the recipes of all the desserts served.

We were entertained by Tiffany Miller who shared the joy of Christmas with us using her piano, vocal and comedy talents. The evening ended with the singing of Silent Night while holding our lit candles and then closing with the evening prayer.
